

Bumpon™ Protective Products

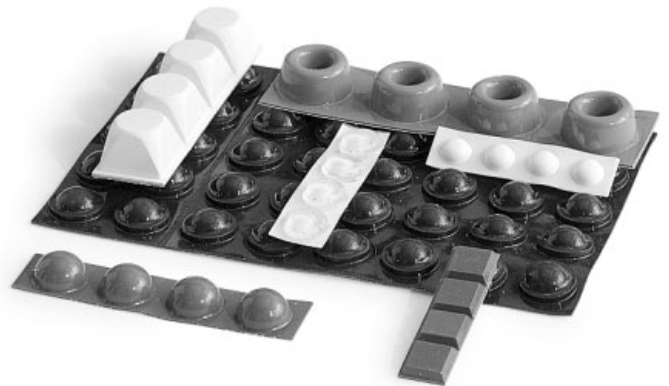

Cylindrical	290	Tapered Square	290
Hemisphere	290	Circular Depressed	290

Bumpon™ Protective Products are cushions for all sorts of uses on all sorts of protective products — from door stops to calculator feet. They are made of durable, resilient polyurethane polymer formulated for its unique high coefficient of friction combined with excellent resistance to marring and staining.

The easy-release liner covering the high-tack pressure-sensitive adhesive backing makes application fast and easy while assuring long life — they go on fast and stay on.

Applications:

- Solution whenever slamming, scratching, nicking, scuffing, marring, sliding, vibrations or noise could be a problem
- Stops for cabinet doors, lids and drawers
- Feet on blenders, desk top calculators, electronic cabinetry, telephones, typewriters, foot pedals, scales, clocks, computer terminals and many other electronic devices
- Bumper protectors for chairs, walls, cabinet doors, sliding doors and for stacking glass and metal sheets
- Pads and cushions for fans, small appliances and furniture
