

ND SOFT TOUCH TIP PELL-IT™

Cushioned Contact

PreApplied

Environmentally Friendly

ND
INDUSTRIES

DESCRIPTION:

- ND Soft Touch Tip Pell-It is a pre-applied, environmentally friendly material inserted in set screw or bolt ends. The Pell-It permits full-face, cushioned contact with a curved shaft while ensuring a secure hold. ND Soft Touch Tip Pell-It is highly reusable and, depending on the type of material used, can be utilized in high temperature applications.

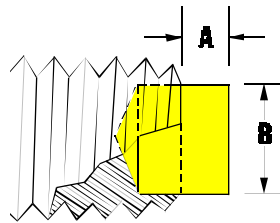

- ND Industries will install Soft Touch Tip Pell-It into your fasteners or supply you with factory pre-installed Soft Touch Tip Pell-It fasteners. Soft Touch Tip Pell-Its are normally available in **Nylon** or **Brass**, although other materials are available.

THREAD SIZE	"A" TIP PROTRUSION	"B" TIP DIAMETER
#2	1/32	1/32
#4	1/32	1/16
#6	1/32	1/8
#8	3/64	3/32
#10	3/64	3/32
1/4"	1/16	1/8
5/16"	3/32	3/16
3/8"	3/32	3/16
1/2"	1/8	1/4

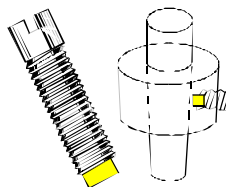

Dimensions are for reference only.

- ND can make any of your fasteners self-locking and self-sealing utilizing a wide variety of unique products and processes.

APPLICATIONS:

- ND Soft Touch Tip Pell-It is ideal for applications where it is necessary to make repeated adjustments to a gear or pulley on a shaft. This unique anti-marring fastening method will not raise burrs, thus circumventing break downs.

FEATURES:

- Protects:** ND Soft Touch Tip Pell-It prevents marring and scratching caused by metal-to-metal contact.
- Insulates:** In applications where an electrical current is present, ND Soft Touch Nylon Tip Pell-It acts as a nonconductor, insulating metal-to-metal contact.
- Versatile:** ND Soft Touch Tip Pell-It can utilize a number of materials to match your unique application requirements.
- Unaffected by Foreign Substances:** ND Soft Touch Tip Pell-It is virtually impervious to water as well as a wide range of chemicals and motor fluids.

SPECIFICATIONS:

<input type="checkbox"/> Primary usage	Anti-marring locking device
<input type="checkbox"/> Reusability	Highly reusable (Depending on the material used)
<input type="checkbox"/> Material	Nylon, Brass and other materials (Contact ND for complete details)
