

Nylon Multi

Full Coverage, Soft, Supple, Strong and Attractive

Under the hood or across the floor, NM is the perfect sleeving product for protecting and improving the appearance of wires and cables. NM has been used in military wire harness applications for many years.

NM's fabric-like softness and flexibility hide surprisingly tough specifications. The high coverage sleeving meets or exceeds military specifications MIL-I-47203 and MIL-S-47053. NM is highly resistant to abrasion, cuts, common automotive and marine chemicals, UV damage and vibration. It will not rot or retain moisture.

The wide operating temperature range allows NM to protect delicate wiring in engine compartments and near exhaust systems.

NM creates a unique and attractive retro look when installed on a/v cables.

- **Dense, Full Coverage Construction**
- **Economical & Easy to Install**
- **Cut & Abrasion Resistant**
- **Soft, Pliable & Quiet**
- **Halogen Free**
- **Resists Gasoline and Engine Chemicals**
- **Wide Operating Temperature Range**

NM's qualities make it a viable choice for defense and military applications that call for flexibility, strength and full coverage protection.

Nominal Size	Part #	Expansion Range		Standard Spool Put-Ups		Available Colors	Lbs/100'
		Min.	Max.	Bulk Spool	Mini Spool		
1/8"	NMN0.13	This product will expand and contract slightly to accommodate installation and variations in bundle size. Be sure to match your application diameter accurately.		1000'	225'	Black	1.1
3/16"	NMN0.19		1000'	200'	Black	5.6	
1/4"	NMN0.25		500'	200'	Black	8.9
